

FINAL SCORES (out of a possible 32):

For those of you who remember, here is a snapshot of how you did in the quiz...

Place	Table Name	Score	Place	Table Name	Score
1 st	'Table One'	27	5 th	'Nine out of Ten Experts Agree...'	23½
=2 nd	'Little Table on End'	26½	6 th	'Betman'	22
=2 nd	'Mal's Team'	26½	7 th	'Collection of Quantitative Geniuses'	21
=4 th	'Jar's in Charge'	25	8 th	'Pee Wees'	18
=4 th	'The Desert Menu'	25	9 th	'Ravenous'	17½

ANSWERS

1. Name one core or supporting partner organisation from each of the following groups: [3 pts – acronyms also accepted]

Government

*Australian Dept of Agriculture,
Fisheries & Forestry
CSIRO
Dept of Food & Agriculture, WA
Path West Laboratory Medicine WA
Queensland Dept of Primary
Industries & Fisheries
Queensland Health*

University

*University of Queensland
Murdoch University
James Cook University
University of Sydney
Curtin University of Technology*

Industry

*Animal Health Australia
Australian Pork Limited
AusVet Animal Health Services*

2. Name one designated Knowledge Broker at the AB-CRC: [1 pt]

*David Boyle
Dieter Bulach
Chris Bunn
Debby Cousins
Peta Edwards
Hume Field
Julie Hall
Hans Heine*

*Patricia Holyoake
Peter Kirkland
John Mackenzie
Tony Martin
Moira McKinnon
Lorna Melville
Nigel Perkins*

*Stephen Prowse
Simon Reid
Scott Ritchie
David Smith
Andrew van den Hurk
Linfa Wang
Rupert Woods*

3. How many people were emailed the Sentinel newsletter in March 2009? (circle one) [1 pt]

a. 475 b. 500 c. 625 **d. 700**

4. Which PhD student won the 2008 Australian Biosecurity CRC Photographic Competition with the photo 'Animal Movement'? [1pt] *Abbey Bestall*

5. How many CRCs are currently operating in Australia? (circle one) [1 pt]

a. 26 **b. 35** c. 48 d. 57

6. Name in full the three RESEARCH programs at the AB-CRC: [3 pts]

Program 1: *Technologies to Enhance Detection*

Program 2: *Ecology of Emerging Infectious Diseases*

Program 3: *Advanced Surveillance Systems*

7. How many PhD students has the AB-CRC supported over its lifespan? (circle one) [1 pt]

a. 44

b. 47

c. 51

d. 55

8. What's the AB-CRC 'tagline' printed on AB-CRC corporate documents (and incidentally, on the cover of the workshop proceedings) [2 pts] *Imagine a world without biosecurity.*

9. Below are 5 logos from organisations affiliated with the AB-CRC (obviously with their names removed). You will get one point for the organisation's acronym and an extra point if you can correctly use the full organisation name [10 pts!]

Acronym: *CUT/Curtin*

Full Name: *Curtin University of Technology*

Acronym: *AWHN*

Full Name: *Australian Wildlife Health Network*

Acronym: *CRC/CRCA*

Full Name: *Cooperative Research Centre Association*

Acronym: *WHO*

Full Name: *World Health Organization*

Acronym: *CSIRO*

Full Name: *Commonwealth Scientific and Industrial Research Organisation*

10. List the locations (city and state) by year of each AB-CRC National Workshop: [6 pts]

2004 – Mooloolaba, QLD

2005 – Joondalup, WA (accepted Perth)

2006 – Cairns, QLD

2007 – St Kilda, VIC (accepted Melbourne)

2008 – Bangkok, Thailand

2009 – Darwin, NT

BONUS QUESTIONS: (some questions about emerging infectious diseases in the 'entertainment' industry – they could make the difference between winning and losing!)

11. Name the **book** by famous horror writer Stephen King in which a particularly horrific 'superflu' virus wipes out 99% of the human race [1 pt] *The Stand*

12. Name the **film** starring Dustin Hoffman that almost sees a town razed by a fuel-air bomb to stop the spread of the fictional (but uncannily similar to Ebola) '*Motaba virus*' unleashed from Africa by a nasty, but undeniably cute, Capuchin** monkey [1 pt] *Outbreak*

13. An extra point if you can name the book by Richard Preston that inspired the Dustin Hoffman movie – a 'non-fiction' thriller about an outbreak of Ebola Reston virus in monkeys at a quarantine facility in Reston, Virginia [1 pt] *The Hot Zone*

** And a quick bit of trivia just to finish off Dr Karrie Rose pointed out that the little Capuchin must have been on quite a journey – the scene opens in Africa but the Capuchin is a South American monkey!
